I'm gonna do bad things from now on

THERE'S TWO SIDES
THE "NICE GUY" IS WINHYUN UHNE
"BAD GUY" IS SUCH UHNE
AND AFTER SUCH UHNE AND WINHYUN UHNE LEAVE, BOTH OF THE OPENS WILL TRY TO CONTROL THE SITUATION AS POSSIBLE BEFORE LEAVING TOO
YOU TWO WILL WORK TOGETHER TO CREATE THE PANDHOLE AS SOON AS POSSIBLE.

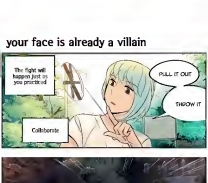
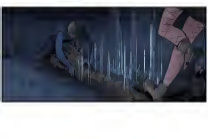
I'LL BE THE ONE FIGHTING.
SO YOU TAKE CARE OF YOURSELF AND ENSURE SAFETY
YOU UNDERSTAND? IT'S GOING TO START SOON
ISN'T IT BETTER IF I FIGHT AS THE MAIN?

...is it not going to work?

collision



Break a throw it, and fling it
Make people say "It's dangerous!"
and run away
Pull out trees and block the road for cars
Don't let them stay and watch



your face is already a villain

hey, aren't fights super tiring?

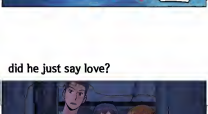
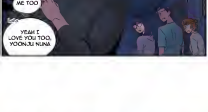
collapse

their voices shook

If it fails, Sichi once goes to the city hall
Just in case of an accident
Minjoon once and co. go to the river
I'll stay here with oppa for about 30 minutes and then go home too
Then come home

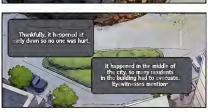


did he just say love?



thank you

-Today at the break of dawn, a massive sinkhole occurred
In the middle of the city, the central is partner repaired right now
Please take a look



In the middle of the intersection, a hole opened up.
It's so awesome that four lanes of traffic can fit inside.
Even though it is close to the city hall, the Disasters Headquarters was luckily not and only just beginning to cooperate for risk

Thankfully, it happened at early dawn so no one was hurt.
It happened in the middle of the city, so many residents in the building had to evacuate.
